

NOTICE OF FORFEIT

To be declared by Field Umpire

Both teams must make every effort to ensure players have the opportunity to play a match

Follow the below matrix to ensure all steps have been taken before deeming the match a forfeit (Youth Age Groups):

Note: Forfeiting a match within 24 hours of the match will result in a maximum penalty of \$100

Date: ____ / ____ / 2020 Venue: _____ Age Group: _____

<i>AFL Cairns Juniors Competition Manager will issue an invoice to the club for payment of penalty. Teams forfeiting 3 matches will be removed from competition.</i>	<i>Team Manager to submit team sheet to Central Monitor within 10 minutes showing all players available at the field who were ready to play.</i>
<i>Team will receive 0 competition points + 0-60 score.</i>	<i>Team will receive 4 competition points + 60-0 score.</i>

Teams must be ready to commence or recommence within 15mins of scheduled game time. A forfeit must be called at this time by the field umpire. Teams are permitted to play a "scratch match", however the Competition Umpire must not under any circumstances officiate.

If a match has commenced and a team's player numbers fall below the minimum required for a team, the match will be deemed a forfeit. Please complete this form if forfeit occurs.

In all Youth Age Groups, where one team has more players than the opposition team, which has less than the number of players referred to in Rule 7.3.2, that team must offer players to the opposition team, in order to bring both teams to an even number of players. If the offer of players is refused, the team which offered its players will be allowed to play the game with up to the maximum number of players. Clubs are to inform the umpires of player offers and outcomes. This does not apply in finals fixtures.
